BIG HAULS.

Being Made Off Halifax, Luisburg and Lunenburg.

MACKEREL PLENTY OFF THERE

Fish Selling At One Cent Apiece At Halifax.

Mackerel are schooling freely and are very plentiful on the Nova Scotia coast. A Halifax dispatch, from good authority, report mackerel very plentiful off there and Liverpool and also plentiful off Lunenburg.

Another Halifax dispatch says that the catch off there Wednesday was 15,000 fish and on Thursday 35,000 fish were landed. Wherever a seine is put down a good catch is the result. The fish are selling fresh at Halifax at one cent apiece and a good many will be salted.

The schooner Victor, which arrived at Boston Wednesday night with her 500 barrel fare, was gone but a week from this port. Capt. McFarland was on the fish four days, during which time 35 sets were made and fish stopped 15 times. One of these days was foggy and only three sets were made, so 32 sets were made the other three days, which shows that there were not many idle moments on the Victor during the past week.

There are four small fresh mackerel fares at Boston this morning. The fish were taken on Middle Bank where small schools are reported.

Sch. Leander F. Gould was at Provincetown Thursday with 75 barrels salt mackerel.

Another Halifax dispatch reports good catches of mackerel all along the bay.

At Bos'on to-day 350 barrels of fresh mackerel are due from Nova Scotia.

Sch. Mertie and Delmar was at Boston Thursday with 100 barrels salt mackerel. Sch. Minerva was also there with 35 barrels of salt mackerel.

The Lunenburg Bank Fishery.

The Lunenburg bank fishing fleet this season numbers 158 vessels, employing 2,745 men. The headquarters are at three places in the county—La Have, Mahone and Lunenburg.

From Yesterday's Late Edition.

TOP NOTCH.

Salt Mackerel Goes Up \$1.62 1-2 On a Barrel.

Sch. Victor Has All Late Caught Fish.

Salt mackerel took the biggest jump of the season to-day, one fare selling this noon at an advance of \$1.62 1-2 per barrel over last sales, and the knowing ones say the top price is not yet reached.

The fare of sch. Victor sold to Reed & Gamage at \$13 12 1-2 per barrel. The fish are late caught and of the finest quality yet landed this season. This, together with the local competition and outside demand for fine goods, accounts for the high price of this fare.

The fare of sch. Edward A. Perkins, which were earlier caught fish than those brought in by sch. Victor, sold also at an advance, going to George Perkins & Son at \$11.25 per barrel for rimmed and \$11.50 per barrel for plain fish.

THE BANKING FLEET.

Sch. Howard Holbrook at St. John's N. F., for Repairs and Chains.

Sch. Howard Holbrook, Capt. M. J. Mells, arrived at St. John's, N. F., on July 26 for repairs and supplies.

She has been fishing on Quero Bank, and hails for 70,000 pounds cod for six weeks. She reports dense fog on the banks and as she lost some chains bore up for St. John's on the 22d. Capt. Mells reports speaking the schooner S. P. Willard, out for two months, with no fish; also sch. Secret of Lunenburg, no fish.

The St. John's Herald says that a Gloucester banker arrived at Bay Bulls on July 25 from the Banks with 200,000 lbs. fish. She lost both her anchors and a lot of cable on the banks, and her lines were cut in Bay Bulls harbor by the crew of a schooner to which she bent them to moor. She drifted some distance, but another vessel came to the rescue.

Sample of Tile Fish.

This morning Collector Jordan received from the U. S. Fish Commission ten tile fish. These will be distributed among several fish dealers, who will cook them and test their edibility. The fish were in fine condition and attracted considerable attention.
